

Many people have tried to describe the Enormous Horns - and most of them have failed. They've been called a smoldering funk band, a brassy soul revue, a hep jazz combo and a wild rock & roll band - in truth, they're a little bit of all those things - but most of all, they're a party band that will make you want to dance. From their diverse set list to their hilarious, energetic performances, the Enormous Horns are ultimately dedicated to entertainment.

Combining great musicianship with a highly visual stage show that sometimes borders on the theatrical, the Enormous Horns will have you up and dancing to everything from current radio hits to the Blues Brothers and Sixties Soul, from Frank Sinatra to Ricky Martin, Glenn Miller to Disco, routines from the Village People and Rocky Horror Show, a "Retro" medley, an Elvis medley, a Dance medley, and much more.

For well over 2 decades now the Enormous Horns have toured Australia, Asia and the South Pacific, attracting a large and loyal following, whilst earning respect within the entertainment industry.

Today, the Enormous Horns are one of the busiest, most successful acts on the Australian live circuit. Their versatility ensures their services are in constant demand for pub gigs, festivals, and corporate and private functions.

The Enormous Horns continue to win over crowds wherever they perform and are consistently requested for return dates.
